“ I made the decision to go to school when I realized that I would be my son Michael's only financial supporter. Without an education we were struggling, but I am proud to say that we no longer rely on government assistance because I am now a middle school English teacher. Single Parent Scholarship Fund of NWA is literally changing lives! ”

**"Now It's Over"**

We're outta here ...

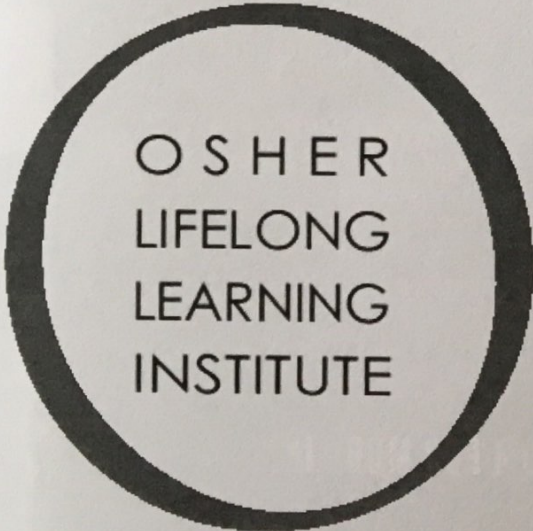

(Sung to the tune of "Oklahoma")

Now it's over,  
That's the end of this year's Gridiron Show  
We have poked some fun at everyone  
Hoping we have hit someone you know

Hey, you're lucky  
Think of all the things we overlooked  
We have tweaked your nose  
Stepped on some toes  
But you stayed to see whose goose got cooked.

We hope you are glad that you came  
Even if we defamed your good name

So till next year, HERE  
May you all live in fear  
We're only saying,  
We're watching you waste our money  
Legislature, School Board, UofA, Donald Trump, Quorum Court  
NEXT YEAR!!

# The Northwest Arkansas Gridiron Show is brought to you by:

**SOCIETY OF  
PROFESSIONAL  
JOURNALISTS**

The Northwest Arkansas Chapter of the Society of Professional Journalists - the group that writes and performs the Gridiron Show -- funds journalism scholarships and programs with its profits. SPJ presents scholarships each year to promising students in the Walter J. Lemke Department of Journalism. It also helps to fund professional training for its members.

The Fayetteville Branch of the American Association of University Women (AAUW) members are equal partners with SPJ, doing the behind-the-scenes work that makes the show a success -- scheduling, selling playbook ads, coordinating and painting sets!

Both groups put hours and hours of hard work into the show, but only the journalists get to stand on the stage and take bows. So this year, say thanks to the AAUW members to show you appreciate them as much as we do.

Arkansas Public Theatre deserves a nod of thanks, too.

Unlike all other theaters in the region, the APT contracts with the Gridiron for a cut of the door. We don't have to pay APT a set fee, so if we were ever unlucky enough to have two really stormy nights in a row for our performances -- and the fans stay away -- APT takes the financial hit just like we do...The theater gets all the proceeds from the bar (they take cash, credit and checks!), so drink up! (It makes the show funnier, too.)

IN HISTORIC DOWNTOWN ROGERS

As a nurse,  
I helped Arkansans  
every day.

Denise Garner for Arkansas House District 84

📍/DeniseforArkansas84

[www.DeniseGarner.com](http://www.DeniseGarner.com)

I'm Denise Garner, and I want to represent you in the Arkansas House of Representatives. For years I worked as an oncology nurse, walking with brave patients who fought cancer with all of their might.

I have seen firsthand the heavy burdens that too many patients carry. Too many Arkansans struggle every single day for access to quality health care, and they need leaders who will listen to their issues and advocate for them.

It is morally and fiscally responsible to ensure that every Arkansan has access to quality healthcare. As your representative, I will work to ensure that access. Partisanship never mattered at the oncology center and it shouldn't matter in Little Rock, either. Good leadership simply works to make things better. Let's find solutions that help people in our community.
